

Vision & Mission

Vision:

To be a community that is passionate about loving God and all people.

Through its Mission of:

Vibrant Worship

Vibrant WORSHIP of God the Father, the Son, and the Holy Spirit; engaging all with relevant and age-appropriate Biblical teaching which promotes fellowship, use of spiritual gifts and stewardship of resources.

Spiritual Growth

SPIRITUAL GROWTH that develops from obedience to God's Word; e.g. being part of a safe small group that accepts others where they are at as we help each other grow in faith.

Community Care

COMMUNITY CARE that reaches out with the gospel by embracing and walking alongside our neighbours and organizations.

Fervent Prayer

Fervent PRAYER at all times, for all things, and all people via a prayer ministry that models and teaches the family of God to pray; prayer is thanks living. We do nothing till we pray.
